## “McMEOW, THE CRIME KITTY” CD AND LIVE SHOW HELP YOUNG PEOPLE TO SAY NO TO DRUGS, ALCOHOL, AND CRIME

*October 2011, Langley, Oklahoma*

Grand Lake’s own “McMeow, The Crime Kitty” releases her **new CD** and launches her **LIVE musical show** for elementary age students and civic groups. McMeow sings, dances, and leads the audience in lively, fun, activity-based songs that encourage them to **MAKE WISE CHOICES!**

The CD’s musical styles range from **rock-and-roll to rap** and are sure to make a positive and memorable impression on young people.

*“All of our 3rd grade classes listened to the Crime Kitty songs today, and they loved them. They were moving to the music as soon as it started. They asked for more when we turned the music off, and they were still dancing and singing on the way to recess!” -- Lynn Maxey, 3rd Grade Teacher, Oklahoma Union School, South Coffeyville, OK*

*“These are wonderful tracks any modern kid will love. They’ll have so much fun listening to these, they probably won’t even realize they’re getting a good message!” -- Dave Walton, Film & TV Composer, Cape Girardeau MO*

McMeow’s show is great for **RED RIBBON WEEK** or for any time during the school year or summer! And McMeow’s show **can be adapted** for kids’ camps, libraries, church groups, and other venues.

Singer/songwriter, Sue Straw and fellow Grand Laker, Terry Jordan bring years of musical and teaching experience to this super kids’ show! To **BOOK** the show or for more information, e-mail McMeow or visit: [www.mcmeowthecrimekitty.com](http://www.mcmeowthecrimekitty.com).
