

THE CRIME KITTY

© 1994 and 2011 by Sue Ann Straw

Who's that comin' down the street?
Why, it's the Crime Kitty
Who's that movin' to a feline beat?
Why, it's the Crime Kitty
Whether you live in the country or the city
You can always call on the Crime Kitty

Who's out huntin' the pusher man?
Why, it's the Crime Kitty
Who's out prowlin' like no one can?
Why, it's the Crime Kitty
Whether you live in the country or the city
You can always call on the Crime Kitty

Who's fightin' crime all over town?
Why, it's the Crime Kitty
Who doesn't pussyfoot around?
Why, it's the Crime Kitty
Whether you live the the country or the city
You can always call on the Crime Kitty

McMEOW

© 1994 and 2011 by Sue Ann Straw

Who is that pink pussy cat? McMeow
Who likes to be "where it's at?" "
Who wears the sparkly clothes? "
Who wears the pink panty hose? "

CHORUS: McMeow, McMeow
She is our favorite crime fighter and pal
Yes, she's McMeow, McMeow
Why don't you just take a bow? McMeow

Who do the criminals fear? McMeow
Who makes them all disappear? "
Who sends the bad guys to jail? "
Who's always hot on their trail? "

REPEAT CHORUS
Who wants the laws to be tough? McMeow
Who wants the pushers locked up? "
Who helps the kids to stand strong? "
Who teaches kids right from wrong? "

REPEAT CHORUS
Don't be a fraidy cat, be like this lady cat
She's here to show us all how McMeow

IT'S A CRIME

© 1994 and 2011 by Sue Ann Straw

If you're thinkin' about takin' drugs, it's a crime
If you're thinkin' about tryin' drugs, it's a crime
If you're thinkin' about buyin' drugs, it's a crime
And if you're thinkin' about sellin' drugs, it's a crime

CHORUS: Baby, it's a crime, baby it's a crime
Baby it's, a crime, baby it's a crime
You'll be doin' time, you'll be doin' time
If you do a crime, baby, it's a crime

If you've got drugs in your purse, it's a crime
If you're hidin' drugs in your car, it's a crime
If you've got drugs at school, it's a crime
And if you're hidin' drugs in your room, it's a crime

REPEAT CHORUS

BRIDGE: I don't wanna go to jail
I don't wanna live in a cell
It would not be fun at all
Starin' all day at four bare walls

REPEAT CHORUS

INSTRUMENTAL BREAK

Takin' drugs isn't fun, it's a crime
And takin' drugs isn't cool, it's a crime
And takin' drugs isn't safe, it's a crime
And takin' drugs isn't smart, it's a crime

REPEAT CHORUS

TAG: Baby, it's a crime — baby, it's a crime
It's a crime

DO THE KITTY

© 1994 and 2011 by Sue Ann Straw

If I'm sad and feelin' blue
There's a dance I like to do
It just helps me to unwind
Clears my head and clears my mind
It's not the jerk, it's not the twist
It's the "Kitty," and it goes like this

CHORUS:
You gotta' claw to the left, claw to the right
Claw real high, then put 'em outta' sight
Turn around while you twist real pretty
Don't look now, you're doin' the "Kitty"

REPEAT THE VERSE

REPEAT THE CHORUS (4X)

JOHNNY WAS A JERK

© 1994 and 2011 by Sue Ann Straw

Let me tell you all a little story 'bout a boy named John
He played on the football team and made 'em number one
But when he played around with drugs
The score was not the same
'Cause playin' around with drugs was a deadly game

CHORUS: Johnny was a jerk, 'cause he used drugs
He started by hangin' around with a lot of thugs
He tried some marijuana, then went on to harder stuff
Johnny was a jerk, 'cause he used drugs

Debbie was a saxophone player in the high school band
And she played every Friday night right up in the stands
But when she started takin' drugs
All the notes she played were wrong
Now all that Debbie is playin' is a real sad song

CHORUS: Debbie was a dope (etc.)

Freddy was the president of the Senior Class
And everybody liked him because he was the best
But when he started takin' drugs, it was all a big disgrace
So they elected someone new just to take his place

CHORUS: Freddy was a fool (etc.)

DON'T TOUCH THEM

© 1994 and 2011 by Sue Ann Straw

Drugs can make your body go crazy
Other times they make you feel lazy
They can make your world look hazy
Then one day you're pushin' up daisies

CHORUS: Don't touch them (4X)

Takin' drugs is somethin' that's real bad
When your dad finds out he'll get real mad
When your mama hears she'll be so sad
So don't take them, and they'll both be glad

REPEAT CHORUS

If you're takin' drugs you're a real louse
You can land yourself in the jailhouse
Listen to me, then you'll have no doubt
Stayin' straight is what it's all about

REPEAT CHORUS

Takin' drugs is wrong, and it's a sin
It's a game where nobody does win
Listen up, because I'm not lyin'
If you see some drugs, don't touch them

REPEAT CHORUS

HE USED TO BE A GOOD FRIEND

© 1994 and 2011 by Sue Ann Straw

He started out with good grades, like most fourth graders do
But then he started slippin', and I didn't know what to do
I tried to help him study, I tried to lend a hand
That's when I realized that he'd gone from good to bad

CHORUS: He used to be a good boy, we used to have a good time
We talked about good things, forgot about the bad times
Then something went and changed him, I don't know what happened
He used to be a good boy, he used to be a good friend

His grades kept on droppin', then he dropped right out of school
I tried to make him listen, but he just called me a fool
I couldn't understand it, why he'd acted like he had
Why he'd changed completely and had gone from good to bad

REPEAT CHORUS

INSTRUMENTAL

Then one day I saw him a dealin' on the street
The cops came by and caught him and made him spread his hands and feet
I turned away and I cried harder than I ever had
And that's when I knew "drugs" were the reason
That he'd gone from good to bad

REPEAT CHORUS (2X)

He used to be a good boy, he used to be a good friend

STAMP OUT DRUGS *

© 1993 and 2011 by Sue Ann Straw

Every time you see them
Turn and walk away
Every time you see them
This is what you say

www.McMeowTheCrimeKitty.com

CHORUS: You gotta' stamp out drugs
Clap out drugs
Shake up drugs
Break up drugs
Don't you ever, ever take drugs

Drugs are so bad for you
They will ruin your life
Drugs are so bad for you
They will blow your mind

REPEAT CHORUS (3X)

* From the upcoming album, "Stamp Out Drugs"
